

MEDIA CONSENT FORM
CALGARY SPARTANS TRACK CLUB

From time to time, we receive requests from the media to report on the Club or its programs. Reporters may want to take general practice or competition photographs, or film the events, to accompany their stories. In addition, selected photographs may be used on the Spartan's web site. Generally the Club co-operates with the media, within reason, to promote the Club and to encourage public celebration of our athletes' achievements.

We recognize some athletes may not want their pictures taken. Parents of athletes under age 18 and /or independent athletes (age 18 and over) are asked to consider whether they approve the athlete's image or voice recording being used by newspapers, magazines, television, radio stations, internet web sites or other media outlets. Parents and/or independent athletes are asked to complete this form and mail it to the address below with their registration.

PLEASE NOTE: The Calgary Spartans Track Club cannot prevent media from photographing athletes from vantage points beyond our control. Similarly, others may take photographs or make digital image or audio recordings at public events such as track meets. In these cases, the athlete's image, a digital manipulation of the image, or an audio recording may be recorded and subsequently broadcast. Once publication or broadcast has taken place, the Spartans cannot restrict or limit subsequent re-broadcast. If this is a significant concern, please discuss this with your athlete.
