CV-19 Bingo Volunteer Procedures

Please realize that this is all new information and could change from time to time.

- This is a cash-based business so you will be handling cash
- Gloves will be provided for those who wish to wear them
- Disposable Face Masks will be provided but we encourage you to bring your own
 - You can also pick up face masks from any Tim Hortons
- Hand Sanitizer is available throughout the hall
- Volunteers will be expected to sanitize all electronics at all events
- Chairperson, Controller, and the Paymaster will be the only volunteers allowed in the office selling from the island
- When REGULAR bingo begins the Controller will be at a table more centered in the hall to sell special game cards. All special games will remain on sale on the island and cashed out when the Caller announces they are off sale
- No Bonanza Sellers on the floor
- When the Ball Sellers come in, they will sanitize all the indicators from the previous event
- All Volunteers will be asked to read a COVID-19 questionnaire and signoff on it before they start their shift.
- There will be a Bingo Coordinator (Staff) and One Volunteer at the entrance:
 1. There will be a questionnaire on an easel at the front entrance, customers will be asked the required questions.
 - Temperature checks will be taken with an IR Thermometer anyone over 38c/100.4, will not be allowed in.
 2. Our Bingo Advisor has the Rapid Response information required to deal with anyone who has a confirmed case.
 3. If a volunteer sees someone they feel is suspect they will report it to the Bingo Advisor.
 4. All Volunteers will be given a questionnaire to read and sign off on when they sign in for their shift.
 5. Volunteers will be wiping down the electronics, counter surfaces, indicator cards and any high touch surfaces.
 - The taps in the washrooms, urinal handles and washroom door handles along with a staff member when requested.
