

Bingo Schedule and Policy

Covid-19 Procedures: Please read and be familiar with the Bingo Barn CV-19 procedures posted on the Spartans website.

To provide programs and support both coaches and athletes, the Spartans depend on fundraising revenue through bingos and casinos. As all members receive benefit from these revenues, the Spartans require all members to work Bingos. ***To maintain training and competition privileges, full year members must work a minimum of two bingos and summer members must work at least one.*** (Parent or athlete must be 18 or over.) Those members who would like to work more are encouraged to do so; all members will receive funds (deposited into the athlete account) which can be used to pay for membership or entry fees, travel, etc.

Our Bingo Coordinator will send out the link to sign up for bingos. If you have any questions, please contact our Bingo Coordinator, Carol Armstrong, at bingo@calgaryspartans.com.

Please also read the Bingo Policy and Procedures which follow and ensure you are familiar with the sign-up and cancellation policy.

Calgary Spartans Bingo Policy

The Spartans are responsible to staff approximately 30 bingos per year. Each Bingo shift worked will result in funds being credited to an athlete's account. As follows:

- Morning Shift (8:30 a.m. – 11:15 a.m.) pays \$75 per shift
- Afternoon Shift (11:00 a.m. – 3:15 p.m.) pays \$85 per shift
- Evening Shift (4:30 p.m. – 9:00 p.m.) pays \$75 per shift
- Late Night Shift (9:00 p.m. – 1:00 a.m.) pays \$85 per shift
- Bingo Supervisors will have \$100 credited to the athlete's account.

Sign-up Timing and Procedure:

All bingo workers will be responsible for the costs of their own food.

If a parent/athlete has booked themselves to work a Bingo and must cancel, they are responsible to replace themselves. The Spartans will provide and maintain a list of people who are willing to work Bingos upon request. It is the worker's responsibility to ensure they attend the Bingo. If an emergency occurs, the Bingo Coordinator will assist, if possible.

Penalty Policy:

If a worker cancels without providing a replacement within one week from the bingo date, the worker will be fined \$100. "No-shows" will be fined and removed from the bingo worker pool for the year unless it can be determined that an emergency occurred.

Confirmation for Athlete Account

All workers will sign in on a Spartans sheet advising they have attended and worked the Bingo, and to which athlete's account the payment is to be credited to.

Athlete Account and Retention Policy:

Bingo funds earned for shifts worked are deposited to the individual designated athlete's account. As bingo fund payouts are gaming funds, all proceeds must be used for athlete and coach expenses including entry fees, travel and accommodation, etc. Therefore, if/when an athlete leaves the club, all monies raised by an athlete through working bingos and not used by the athlete will be retained by the club to be used for same.

Staffing Requirements

Staffing is set by the Bingo Barn and is as follows:

- Mornings – 8 volunteers
- Afternoons – 12 volunteers
- Evenings – 14 volunteers
- Late night – 10 volunteers
